

Mark Kirgiss

Mark Kirgiss has been ministering to adolescents and young adults for over 33 years. He has been in vocational youth ministry for 28 years. During the past 14 years, he has trained, mentored, and equipped hundreds of college students (Purdue University, Indiana) to do youth ministry with middle school and high school students. He aims to help all his college-aged leaders develop a vision for ministry that they will take with them into whatever vocational context they pursue. He's committed to replacing the term "volunteer" with the title "youth leader" or "ministry leader." He currently serves as a Senior Area Director for Young Life.
